Prices shown are effective from 1st April 2014. The 'On the Road' retail price includes items such as delivery to dealer, Vehicle Excise Duty, Vehicle First Registration Fee, estimated cost of Number Plates and VAT (at 20%). Accessories requiring dealer fit may incur a labour charge. We recommend you contact your dealer for more details.

Jaguar's policy is one of continuous product development. The right is reserved to change the specifications, colours and prices of the models and items illustrated and described in this vehicle configurator at any time. Every effort has been made to ensure that the information, details, and descriptions set out were correct at the time of launch and we will update the configurator from time to time, in view of the Jaguar policy of continuous product development. You are, however, advised to check vehicle specifications with your Jaguar dealer prior to ordering to avoid any misunderstandings especially if your model selection is dependent upon one of the features mentioned. The material in this web site relates to the UK market only and the figures shown should only be used as an estimate. For the avoidance of doubt the information on this web-site, including estimated prices and finance payments do not constitute an offer by Jaguar to sell and finance any vehicle at the estimated price or APR.

Jaguar is the Number One manufacturer in the J.D. Power and Associates/What Car? 2013 UK Vehicle Ownership Satisfaction Study .
